Geography of the United States

The United States is a vast country with a diverse geography. It is located in North America, between the Atlantic Ocean to the east and the Pacific Ocean to the west. The country is bordered by Canada to the north and Mexico to the south. The United States has a long coastline along the Atlantic Ocean, the Gulf of Mexico, and the Pacific Ocean. The country is divided into 50 states and the District of Columbia. The United States has a large area of land, with a total area of about 3.8 million square miles. The United States has a diverse climate, with a wide range of temperatures and weather conditions. The United States has a rich natural resources, including a large amount of land, water, and minerals. The United States has a long history of exploration and settlement, and it has a large population of people. The United States is a powerful country, and it has a large influence on the world.

Subject Index Volume 10

- Age, dehydroepiandrosterone, dehydroepiandrosterone sulphate, sex, metabolism, 297
Androgens, menopause, gonadotrophins, steroids, oestrogens, 215
Bleeding, equine oestrogens, dydrogesterone, lipids, menopause, 133
BMC reference values, bone mineral content, osteoporosis, single energy photon absorptiometry, 231
Bone loss, oestrogen-progestogen treatment, osteoporosis, 51
Bone mineral content, dual photon absorptiometry, gadolinium-153, osteoporosis, 59
Bone mineral content, osteoporosis, single energy photon absorptiometry, BMC reference values, 231
Cardiovascular disease, oestrogens, lipids, lipoproteins, triglycerides, 343
Climacteric, β -endorphin, hot flushes, 45
Climacteric and lifestyles, menorrhagia and menopause, iatrogenic climacteric symptoms, premenopausal bleeding, history of climacteric, premenopause, historical review, 5
Climacteric symptoms, 193
Coagulation factors, pre-menopause, oral contraceptives, oestradiol, cyproterone acetate, lipoproteins, 201
Cross-cultural, symptoms, Japan, menopausal status, 317
Culture, menopause, meaning, Sikh, Indian ideology, 109
Culture and endocrines, menorrhagia in climacteric, history hysterectomy, menstruation and contraception, history climacteric, fibromyomata, 83
Cyproterone acetate, pre-menopause, oral contraceptives, oestradiol, coagulation factors, lipoproteins, 201
Danazol, medroxyprogesterone acetate, lynestrenol, endometriosis, lipoproteins, 27
Dehydroepiandrosterone, dehydroepiandrosterone sulphate, age, sex, metabolism, 297
Dehydroepiandrosterone sulphate, dehydroepiandrosterone, age, sex, metabolism, 297
Density measures, single/dual photon absorptiometry, screening, 143
Dual photon absorptiometry, bone mineral content, gadolinium-153, osteoporosis, 59
Dydrogesterone, equine oestrogens, lipids, bleeding, menopause, 133
Endometrial, oestrogen, oral, transdermal, vaginal, response, 181
Endometriosis, medroxyprogesterone acetate, lynestrenol, danazol, lipoproteins, 27
 β -Endorphin, climacteric, hot flushes, 45
Equine oestrogens, dydrogesterone, lipids, bleeding, menopause, 133
Estrogens, estrogen replacement therapy (long-term adverse effects), estrogens (therapeutic use), genital diseases (female), 271
Estrogens (therapeutic use), estrogens, estrogen replacement therapy (long-term adverse effects), genital diseases (female), 271
Estrogen replacement therapy (long-term adverse effects), estrogens, estrogens (therapeutic use), genital diseases (female), 271
Fibromyomata, menorrhagia in climacteric, history hysterectomy, menstruation and contraception, culture and endocrines, history climacteric, 83
Gadolinium-153, dual photon absorptiometry, bone mineral content, osteoporosis, 59
Genital diseases (female), estrogens, estrogen replacement therapy (long-term adverse effects), estrogens (therapeutic use), 271
Gonadotrophins, menopause, steroids, androgens, oestrogens, 215
Handicapped, vertebral deformities, physical disability, social problems, psychosocial problems, 283
Historical review, menorrhagia and menopause, iatrogenic climacteric symptoms, premenopausal bleeding, climacteric and lifestyles, history of climacteric, premenopause, 5

- History climacteric, menorrhagia in climacteric, history hysterectomy, menstruation and contraception, culture and endocrines, fibromyomata, 83
- History hysterectomy, menorrhagia in climacteric, menstruation and contraception, culture and endocrines, history climacteric, fibromyomata, 83
- History of climacteric, menorrhagia and menopause, iatrogenic climacteric symptoms, premenopausal bleeding, climacteric and lifestyles, premenopause, historical review, 5
- Hot flush, menopause, respiratory changes, physiological changes, 65
- Hot flushes, climacteric, β -endorphin, 45
- Hysterectomy, menopause, perception, life events, 333
- Iatrogenic climacteric symptoms, menorrhagia and menopause, premenopausal bleeding, climacteric and lifestyles, history of climacteric, premenopause, historical review, 5
- Indian ideology, menopause, meaning, Sikh, culture, 109
- Japan, symptoms, cross-cultural, menopausal status, 317
- LH : FSH ratio, progressive changes in LH and FSH, reproductive life, 35
- Life events, menopause, hysterectomy, perception, 333
- Lipids, equine oestrogens, dydrogesterone, bleeding, menopause, 133
- Lipids, oestrogens, lipoproteins, triglycerides, cardiovascular disease, 343
- Lipoproteins, medroxyprogesterone acetate, lynestrenol, danazol, endometriosis, 27
- Lipoproteins, oestrogens, lipids, triglycerides, cardiovascular disease, 343
- Lipoproteins, pre-menopause, oral contraceptives, oestradiol, cyproterone acetate, coagulation factors, 201
- Long-term treatment, veralipride, post-menopausal, 225
- Longitudinal data, methodology, symptoms, menopause, psychological morbidity, 117
- Lynestrenol, medroxyprogesterone acetate, danazol, endometriosis, lipoproteins, 27
- Meaning, menopause, Sikh, Indian ideology, culture, 109
- Medroxyprogesterone acetate, lynestrenol, danazol, endometriosis, lipoproteins, 27
- Menopausal status, symptoms, Japan, cross-cultural, 317
- Menopause, equine oestrogens, dydrogesterone, lipids, bleeding, 133
- Menopause, gonadotrophins, steroids, androgens, oestrogens, 215
- Menopause, hot flush, respiratory changes, physiological changes, 65
- Menopause, hysterectomy, perception, life events, 333
- Menopause, meaning, Sikh, Indian ideology, culture, 109
- Menopause, methodology, symptoms, psychological morbidity, longitudinal data, 117
- Menorrhagia and menopause, iatrogenic climacteric symptoms, premenopausal bleeding, climacteric and lifestyles, history of climacteric, premenopause, historical review, 5
- Menorrhagia in climacteric, history hysterectomy, menstruation and contraception, culture and endocrines, history climacteric, fibromyomata, 83
- Menstruation and contraception, menorrhagia in climacteric, history hysterectomy, culture and endocrines, history climacteric, fibromyomata, 83
- Metabolism, dehydroepiandrosterone, dehydroepiandrosterone sulphate, age, sex, 297
- Methodology, symptoms, menopause, psychological morbidity, longitudinal data, 117
- Oestradiol, pre-menopause, oral contraceptives, cyproterone acetate, coagulation factors, lipoproteins, 201
- Oestrogen, oral, transdermal, vaginal, endometrial, response, 181
- Oestrogen-progestogen treatment, bone loss, osteoporosis, 51
- Oestrogens, lipids, lipoproteins, triglycerides, cardiovascular disease, 343
- Oestrogens, menopause, gonadotrophins, steroids, androgens, 215
- Oestrogens, progesterone, vaginal absorption, pre-menopause, post-menopause, systemic effects, 307
- Oral, oestrogen, transdermal, vaginal, endometrial, response, 181
- Oral contraceptives, pre-menopause, oestradiol, cyproterone acetate, coagulation factors, lipoproteins, 201
- Osteoporosis, bone mineral content, single energy photon absorptiometry, BMC reference values, 231

- Osteoporosis, dual photon absorptiometry, bone mineral content, gadolinium-153, 59
- Osteoporosis, oestrogen-progestogen treatment, bone loss, 51
- Perception, menopause, hysterectomy, life events, 333
- Physical disability, vertebral deformities, social problems, psychosocial problems, handicapped, 283
- Physiological changes, menopause, hot flush, respiratory changes, 65
- Plasma protein distribution, transdermal oestradiol, 263
- Post-menopausal, veralipride, long-term treatment, 225
- Post-menopause, oestrogens, progesterone, vaginal absorption, pre-menopause, systemic effects, 307
- Pre-menopause, oestrogens, progesterone, vaginal absorption, post-menopause, systemic effects, 307
- Pre-menopause, oral contraceptives, oestradiol, cyproterone acetate, coagulation factors, lipoproteins, 201
- Premenopausal bleeding, menorrhagia and menopause, iatrogenic climacteric symptoms, climacteric and lifestyles, history of climacteric, premenopause, historical review, 5
- Premenopause, menorrhagia and menopause, iatrogenic climacteric symptoms, premenopausal bleeding, climacteric and lifestyles, history of climacteric, historical review, 5
- Progesterone, oestrogens, vaginal absorption, pre-menopause, post-menopause, systemic effects, 307
- Progressive changes in LH and FSH, LH : FSH ratio, reproductive life, 35
- Psychological morbidity, methodology, symptoms, menopause, longitudinal data, 117
- Psychosocial problems, vertebral deformities, physical disability, social problems, handicapped, 283
- Reproductive life, progressive changes in LH and FSH, LH : FSH ratio, 35
- Respiratory changes, menopause, hot flush, physiological changes, 65
- Response, oestrogen, oral, transdermal, vaginal, endometrial, 181
- Screening, single/dual photon absorptiometry, density measures, 143
- Sex, dehydroepiandrosterone, dehydroepiandrosterone sulphate, age, metabolism, 297
- Sikh, menopause, meaning, Indian ideology, culture, 109
- Single/dual photon absorptiometry, screening, density measures, 143
- Single energy photon absorptiometry, bone mineral content, osteoporosis, BMC reference values, 231
- Social problems, vertebral deformities, physical disability, psychosocial problems, handicapped, 283
- Steroids, menopause, gonadotrophins, androgens, oestrogens, 215
- Symptoms, Japan, cross-cultural, menopausal status, 317
- Symptoms, methodology, menopause, psychological morbidity, longitudinal data, 117
- Systemic effects, oestrogens, progesterone, vaginal absorption, pre-menopause, post-menopause, 307
- Transdermal, oestrogen, oral, vaginal, endometrial, response, 181
- Transdermal oestradiol, plasma protein distribution, 263
- Triglycerides, oestrogens, lipids, lipoproteins, cardiovascular disease, 343
- Vaginal, oestrogen, oral, transdermal, endometrial, response, 181
- Vaginal absorption, oestrogens, progesterone, pre-menopause, post-menopause, systemic effects, 307
- Veralipride, long-term treatment, post-menopausal, 225
- Vertebral deformities, physical disability, social problems, psychosocial problems, handicapped, 283
